A game played or food claim in a student booth entitles you to earn a stamp from the booth operator. Present you SOARvival Map to the booth operator and booth operator will affix their booth stamp on your SOARvival Map corresponding to their booth location.

Collect either 10 or 15 stamps and redeem a prize from the redemption booth! That easy! Catch your prey and SOARvive! Let us support all our student booths in this worthy cause of raising funds for the 4th Street Building Project.
